SKILLS

Java , Spring Boot, Angular, MySQL,HTML, CSS, TypeScript, JavaScript, OOPS ,AWS- EC2, RDS

EXPERIENCE

Full Stack Developer Intern

Forward Vision PVT . LTD.

August 2023 - Present, Remote

- Responsible for maintaining and developing a existing application using angular, spring boot and MySQL.
- Diagnosed and resolved issues with API end points deployed on servers.
- Gained expertise in debugging, API development and codebase understanding.
- Integrated primeng editor in the application for enhancing user experience.
- Successfully adapted to existing codebase and architecture, ensuring application functionality.

PROJECTS

• Complaint Redressal System

March 2023 - April 2023

- Developed and evolved an AngularJS and Spring Boot web app for complaint redressal system based on pin codes, resulting in reducing the resolution time.
- Integrated a MySQL database to efficiently manage and handle over 100k complaint entries.
- Streamlined the complaint handling process, reducing the resolution time by almost 20%.
- GitHub: <https://github.com/imrohitroy23/BackEndComplain> .

• Interactive Online Quiz App

January 2023 - February 2023

- Created an interactive online quiz app with AngularJS and Spring Boot, featuring JWT-based authentication for security.
- The application facilitated quizzes for over 50 users with real-time result tracking, using MySQL as the database.
- Result: <https://quizpoint.netlify.app/>

• Medi Store (Team Project)

October 2022 - December 2022

- Built a user-friendly medical store website with AngularJS and Spring Boot, enabling seamless medicine ordering and secure authentication via JWT.
- Incorporated a search functionality with a database of over 100 medicines stored in MySQL.
- Results: <https://onlinemed.netlify.app/>

EDUCATION

Bachelor of Technology (CSE)

Vellore Institute of Technology • Bhopal, India • June 2024 • 8.35

Class XII Science

Dreamland School • Kolkata, India • June 2020 • 79.5

CERTIFICATIONS

Full Stack Java Developer

Simplilearn • 2023

- This certification equipped me with in-depth knowledge of these cutting-edge technologies, empowering me to build robust, responsive web applications with seamless user experiences and efficient full-stack functionality.
